STEPS FOR SUCCESS

PLAN

Next semester's classes will be released on September 29. Check your enrollment date and plan some options for the upcoming semester.

RESEARCH

Run a Degree Progress Report and look over your remaining requirements. Check for pre-requisites, if applicable. Find out who your academic advisor is.

TAKE INITIATIVE

Check to see if you have any holds on your account. Take care of these before meeting for main enrollment, if possible.

MEET

Take care of any pre-enrollment meetings. For example, students on probation are required to meet with their academic advisor to fill out an action plan.

SCHEDULE

Once you have an idea of what courses you need, you've taken care of any meetings/holds, schedule an appointment with your advisor!

CHECK IN

Check in on your grades for the current semester. Anticipate what's next. If you have questions now, ask them!
